

*To my parents and little sister,  
with whom I share my genome*

*and*

*a man with gray hairs,  
who provided me with all the necessary epigenetic factors  
and taught me there is more to life than science.  
Who is also, the noblest of all the words in the English diction,  
my teacher,  
Prof Ashish Kumar Duttagupta*

*and*

*Lz4W  
on whom I spent most of my lag-phase!*
